

Maple

Standard

Outlook door option

With stunning views through its large panoramic windows and extra all-round insulation, the Maple is the ideal choice to make the most of the extended holiday season. No surprise then that it is so popular with our distributors!

Spacious rooms, contemporary furniture and extensive seating mean you can stretch out in comfort. A stylish and well-equipped domestic-style kitchen includes plenty of cupboards, ample worktop space, a dedicated position for a microwave oven and MDF doors. Well-proportioned bedrooms, a large family shower room and generous storage throughout complete the inventory. In short, this is everything you could want in a holiday home!

All Maple photography is of the 38 x 12 2 bed unless otherwise stated. Other models may vary in layout and features. The models pictured in this brochure show the standard front window and outlook door option.

“ The Maple is designed to give you an all inclusive spec at an affordable price. ”
